

****** CAN'T FIX STUPID II *****

I do think I had an earlier commentary a few years back titled "Can't Fix Stupid", so this would make this one number two. Really folks, ain't it time we bounced the lying rascals out of the White House, Senate and House of Representatives? I mean Democrat and Republicans. None of them are planning on cutting "ANYTHING" from our \$14.5 trillion debt. All the plans being debated by the mental midgets in D.C. are over not spending as much as the projections of future spending. They are planning to cut NOTHING!!!! We should run them out of the capital with pitch forks. But we won't. We'll vote them right back in office BECAUSE WE ARE AS STUPID AS THEY THINK WE ARE!!!

We slam the politicians, except our guy or gal. They slap us on the back and give us a wink and a nod. Give lip service to our issues and needs, then vote like they're from another planet. I'm soooooo tired of it. It is difficult to watch the destruction of the greatest nation in human history being destroyed by these clowns. If you can find an "honest" politician, (more rare than hen's teeth), they are powerless because of their fellow pols and the career bureaucrats in D.C. that are not elected, but strongly ensconced. A recent survey revealed a federal employee may die or retire, but almost never be fired (slightly over 1%) for incompetence or otherwise.

There are too many reasons for our demise for me to comment on all. But one is as large as any, (Isa 59:14-15a), "...judgment is turned away backward, and justice stands afar off: for truth is fallen in the street, and equity cannot enter: Yes, truth fails...". That is as much a part of our problem as anything. Truth is non-existent in our national discourse. They're all trying to hoodwink us. "You shall know the truth and the truth shall make you free", (Jn.8:32). Pilate asked "What is truth?", (Jn.18:38). Answer, "Sanctify them by your truth, YOUR WORD IS TRUTH", (Jn.17:17, emphasis mine). Quote Jesus, "I AM THE TRUTH", (Jn 14:6, emphasis mine).

You might call that just Christian rhetoric and it should not be the basis for our national discourse. O.K., but what is wrong with this biblical admonition? "Speaking the truth in love,...GROW UP...(Eph.4:15, emphasis mine). And, "Wherefore putting away lying, speak every man truth with his neighbor..." (Eph 4:25, (vs.28) "Let him that stole steal no more...(great advice for Washington); "Let no corrupt communication proceed from your mouth"...(vs.29).

It is difficult to take as I yell at the T.V. trying to reply to lies and half truths of both parties' spoke persons. Just the truth, the whole truth and nothing but the truth PLEASE!! I really believe I can take it, if you'll just give me the truth. Oh yeah, I know these are principles of Christianity and are as foreign to our nation and our leaders as Venus is from Pluto. BUT, hear the Word of the Lord! Isaiah 59:16, "For I will not contend forever..". But that's just as our atheistic leaders would have it. They don't want to "retain God in their knowledge" (Rom.1:28). They believe the sooner Bible believing Christians and our Christ, are out of the equations confronting our nation the better off we'll be. Truth and principles of Christ, that cannot be compromised away, just complicate the lives of the pagans in power.

And so, as I started this commentary, YOU CAN'T FIX STUPID, in the electorate or the elected, but we're all gonna suffer because of it!
