

"I AM PENTECOSTAL"

The recent entry into the race for Vice President of the United States by Governor Sarah Palin has turned the lunatic, left of the world into escapees from the ethically challenged zoo in which they dwell. No, I am not using this space to endorse anyone. It is perfectly legitimate to critique one's experience, politics, party etc., but MAKE NO MISTAKE ABOUT IT, the left's greatest fear and gripe is she's (gasp) A PENTECOSTAL!! This alone disqualifies her from being fit to serve by the left. The all out assault on her is a shot across the bow, that ANYONE with a real working faith in the God of the Bible, and anyone who really dares to bring that faith into the public arena of ideas, is dangerous and to be destroyed. To them, pentecostals are especially dangerous because, we (horror, horror) "speak with tongues", believe the prophecies and moral principles of scripture.

Hollywood celebrities, academicians, political pundits in the U.S. and around the world have all weighed in and piled on with "their superior sophisticated wisdom" (?) Let it be said, I will take no cue from a black rooted, blond bimbo with a boob job, whose only talent is a propensity to flash them. Nor do I care what that ilk or a likeminded pagan society of Europe has to say about our leaders.

NEWS FLASH for all those frightened of pentecostals! The largest group of protestant Christians in the world today speak with other tongues in the Book of Acts, chapter two, experience. Over 600 hundred million of all denominations.

LET ME SAY IT LOUD AND CLEAR, I AM AN UNASHAMED, NON APOLOGETIC, PENTECOSTAL!

1. Because it is my heritage. Thank God, since my birth I have experienced the dynamic presence of the Holy Ghost in private and public worship. I know the power of speaking with other tongues in overwhelming circumstances (Rom.8:26).
2. Heritage is not enough, we must be biblically balanced. Speaking with other tongues as the Holy Spirit gives the utterance is thoroughly scriptural, (See Isa. 28:11, Mark 16:17, John 15:26, 16:13-14, Acts 2:4, 10:44, 19:1-6, Rom 8:26, I Cor 14:15, Eph. 6:18, James 3:2-8, Jude 20). One may be born again and never speak with tongues, but one who is filled with the Spirit will speak with tongues.
3. There is no other way I wish to worship. I have ministered many places and in various denominations around the world. I do not mean to demean anyone's preference for worship. However, for me, the free, spontaneous, powerful flowing of the Holy Spirit upon the congregation, with great manifestation of life changing results, is what I crave. More so now than ever before.

These people are not just mocking a politician of a particular party. They're laughing, lampooning and ridiculing ALL Bible believing Christians, ESPECIALLY pentecostals.

BULLETIN!! We're here till Jesus comes to take us away. Then, we will go and leave this old place with you. But a word of caution, you're not gonna like it when we're gone.

The salt and light will be removed. Till then, we're gonna remain engaged in the public discourse. And you know, you have nothing to fear from pentecostals. We are not the ones blowing up airplanes and buildings. We are not beheading people and trying to impose our will on the public by military means. "The weapons of our warfare are not carnal" (II Cor.10:4), but armed with prayer and the power of the Holy Ghost, we are effective. "Wherefore, brethren, covet to prophesy, and forbid not to speak with tongues" (I Cor. 14:39).
