

### \*\*\*THE VALLEY OF DECISION\*\*\*

Joel 3:14 says, "Multitudes, multitudes in the valley of decision: FOR THE DAY OF THE LORD IS NEAR IN THE VALLEY OF DECISION (emphasis mine).

That's where the United States of America finds itself, just a few short hours from the most momentous election of our lifetime. No that's not hyperbole, but a trueism. There is more at stake than democrat, republican or independent parties leadership. We have a clear choice, if we are to free ourselves from the most pro communist administration in the history of this nation. It wasn't long ago one aspiring to public office would be quite reticent to admit to being communist. It's almost a pre requisite for appointment in the Obama Regime. Fundamentally changing the country meant destroying our capitalist system and bringing in the socialistic new world order of the George Soros types, Bilderberger, global elitists. Obama is just their puppet, but he really is sold out to their goals and plans. He is committed to having those in place whether or not he wins re election. Thus, he and his ilk are the most serious threat to our survival as a free people we've seen in our lifetime.

It's as though a great stupor of illusion befell our nation in '08, similar to Nazi Germany pre WW II. A majority world wide bought the lie, awed by the illusion, ignoring truth and voices of warning. And globalist George Bush, with the liberal, country club, Republicans giving us candidate McCain was certainly no attractive alternative. No where is this stupor more prevalent than the Christian Community. Life Way Research's Scott McConnell conducted a survey which revealed 61% of Protestant Pastors disapprove of Obama's job performance, with 30% approval and the obligatory morons without opinion 9%. 84% however say Pastors should not endorse candidates from the pulpit. What a dereliction of duty. "Obama Most Gay Friendly President In History" (Sam Hananel, A.P.) Obama "has appointed more openly homosexual officials than any other president in history....more than 150, estimated by homosexual activists". Couple this with his communist, socialist and Muslim appointments over only two years, should make alarm bells ring from coast to coast, ESPECIALLY AMONG PASTORS AND CHRISTIANS!!! Oh how I've heard that Pastors and churches should not be in politics. You fool. It was Christians that fought so long and hard to end slavery. Without the Pastors and Christians, many would still be considered property. It was Pastors and Christians who led the American Revolution. I didn't hear any of the black Pastors complaining about Dr. Martin Luther King's leadership in the civil rights movement based from the churches. Need I make detail reference to Jessie Jackson, Al Sharpton and others, who are never maligned for their political activism and collection plates in churches. No, you only want to silence Conservative Pastors and churches voices. NOT MINE THANK YOU! I love America, my constitutional right to freedom of religion, free speech, to peaceful assembly, right to bear arms etc, etc, AND ESPECIALLY THE RIGHT TO BE LEFT ALONE without intrusive government. Unfortunately, this government is much like satan himself, he and the present regime in power

WILL NOT LEAVE US ALONE! THEREFORE, WE THE PEOPLE MUST NOT LEAVE GOVERNMENT ALONE! Come Tuesday, LET'S SHOW THEM THE DOOR OUT!!!

Make no mistake, the liberal loons and goons will do anything to hold their power they feel is rightly theirs. They have no morality re: the constitution, laws or any other restriction they see hampering their rule of our country for our greater good. They, in their eyes, are much more intelligent, informed and thus, more capable to make decisions for us. We just don't know what's good for us you see. Note the early voter fraud being discovered from coast to coast. Note the gutteral vitriol and invective against people with contrary viewpoints. The need to destroy, steal, lie or use any means necessary to hold onto the power of government.

BUT, you have a opportunity to strike a blow for liberty November 2nd. You have a chance to be heard. (Deut. 30:19-20 KJV), "I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both you and your children may live. That you may love the Lord your God, and that you may obey his voice and that you may cleave unto him: FOR HE IS YOUR LIFE, AND THE LENGTH OF YOUR DAYS: that you may dwell in the land which the Lord sware unto your fathers"...(emphasis mine).

Let's put a stop to this madness November 2nd and then turn our attention to electing a godly President in 2012.

(I Kings 18:21 KJV), ...."How long halt ye between two opinions? If the Lord be God, follow him: but if Baal, then follow him....". Baal is the system we've been following for years under Republican and now lunatic left Democrats. I implore you to seek out constitution loving and abiding candidates of all parties and vote righteously I have already voted and say to you, YOU CANNOT BE SILENT AND SIT THIS ONE OUT. The survival of our nation is one the line, WITHOUT QUESTION!
