

“WHAT’S IT GONNA TAKE?”

As I survey the condition of our world, nation and the church, unmistakably we are in Loadicean church age (Rev. 3:14-22). So many of professing Christians whose enticement into the faith has been the promise of material wealth, are now the lukewarm of our age. “Changing the truth of God into a lie” (Rom 1:25), convinced, “that gain is godliness” (I Tim.6:5), we have a powerless church that began in the Spirit, but today thinks it can finish in the flesh (Gal.3:3). And finished is the operative word. This carnal system, world, nation and church will soon be exposed and FINISHED! This morally and spiritually bankrupt system, which now is being vociferously defended and supported by an apostate church, will soon be exposed for the lie that it is.

To those who claim Christ, I want to pose a question. What’s it gonna take for you to break with the current anti-christ government and the false prophet led church? Roger, do you mean you think our president is an anti-christ? Unequivocally YES!! I didn’t say he is THE Anti-Christ, but he is definitely controlled by an anti-christ spirit. Based on what? The evidence is over whelming if you had the courage and integrity to examined it.

1. Read the man’s book where he states he was drawn to the communist professors in school That he found himself siding more with the muslims in their struggles than others. Why does NO ONE remember Barrack Obama attending class at Columbia University? Why are his school records sealed?

2. Look at his friends and appointees. Terrorists, Liberation Theology promoters, avowed communists, marxists and socialists. Some dedicated to the destruction of the U.S. Constitution, economy and national sovereignty. One so dedicated to abortion he has advocated a woman’s right to abort her child up to 2 yrs old. Another who believes one of the worlds answers to our problems is elimination of the non productive people in the world. He, of course, feels his type are essential to our progress, so the elites would be spared. The list is open to one all, it’s no secret, and the list is longer than I can put in this commentary. **AT WHAT POINT DO YOUR FRIENDS, ASSOCIATES AND APPOINTMENTS DEFINE WHO YOU ARE?** (I Cor.15:33 NIV) “Do not be misled: Bad company corrupts good character”. **YOU ARE BLIND AND PURPOSELY DECEIVED IF YOU DON’T SEE THIS!!** Professing Christian, Who is your God and to whom do you owe allegiance? Is it true you have accepted a marxist as your messiah?

3. Examine the policies. Unlimited abortion and support for Planned Parenthood. Same sex marriage and wholesale support of the homosexual agenda. Three per cent of the population is having their will imposed in society, schools, military etc, **AND YOU CAN SUPPORT THIS?** The list is long, destruction of the capitalist system through devalue of the dollar, government take over of banks, car industry, health care. Detroit, once motor city,

resembles Beirut downtown on Woodward Ave. Chicago, the city that works, the city of big shoulders, unemployment among black people is at 20-25%. According to the latest CBO, non partisan group, stated the Obama budget will ADD \$9.7 TRILLION to our deficit over the next decade. This spending "would force the Treasury to continue borrowing at prodigious rates, sending the national debt soaring to 90% of the economy by 2020 Interest payments on the debt would also skyrocket by \$800 billion over the same period" (Washington Post 3/6/10).

The nation and world are going to hell and doesn't even have a handbasket. All of this, aided by an apostate church. Again, what's it gonna take to get the church, pastors and laity, to break with this agenda, administration and satanic inspired destruction of everything our Christ birthed at Calvary and Pentecost? Further, the greatest nation on earth, purchased and secured through the years, with blood of patriots, now being destroyed. I can tell you today, no relative, ethnicity, church members, political party or church denomination is so important to me as to get me to sell my soul for their favor. This must be resisted and stopped if possible. That is my commitment. What's it gonna take for you? I hope you don't wake up when it's too late "Come back to your senses as you ought and stop sinning; for there are some who are ignorant of God-I say this to your shame" (I Cor. 15:34)
