

"YOU MIGHT BE A RACIST IF"

In the face of a veritable avalanche of accusations of racism from the lunatic left, I have finally been forced, under the duress of the barrage, to accept that, yep, I'm a racist. The looney left in our country has so defined me, and those who think like me, till I have no more energy to deny it. Since they cannot discuss the merits of the issues, due to being intellectually challenged (Rom.1:22, "Professing themselves to be wise, they became fools"), they must resort to name calling, of which racist is number one. Perhaps you are a racist too, as so defined by the Communist, Marxist, Socialist left? Let's see.

Oppose the President's Communist agenda? You're a racist. You cannot be governed by solid principles, nope, you're nothing but a racist. Oppose Obama care? You're a racist. Oppose Cap and Trade legislation? You're a racist. Oppose government bail outs, stimulus packages? You racist! Oppose government take over of private business, i.e. banks, car companies etc? You're a racist.

Oppose the building of the mosque at ground zero? You racist! Oppose the President being the greatest cheerleader and Evangelist for Islam in the United States? You are a racist AND an Islamophobe! Oppose same sex marriage and repeal of Don't Ask, Don't Tell? Oppose repeal of the Defense of Marriage Act and the appointment of a radical lesbian activist to the Supreme Court? You're a racist AND a homophobe!

Oppose abortion on demand? Racist AND anti women's rights! Oppose abandonment of our ally Israel and the President's proclamation we are no longer a Christian Nation? You are a racist AND a religious bigot!

Want our borders sealed and protected? Don't support amnesty for illegals? Want drunk driving, gang organizing illegals arrested and deported? You're a racist AND anti-Latino!

Support the Tea Party's goal of returning the nation to it's constitutional foundations? Racist, racist, racist!!

Can't wait to vote the senators, congressmen AND our Communist, Islamic President out of office? You guessed it, YOU ARE NOTHING BUT A RACIST!!

In short, any point that you oppose the paganization and islamofication of the United States of America and the direction the left is taking our country. You must be a racist. You cannot be motivated by common sense, biblical and constitutional principles. But, I am a principled, conservative, Christian. And I have had pressure put on me to silence my opposition to the President and withdraw from political discussion. Some have left the church, others have threatened to do so.

BUT UNDERSTAND THIS!. These issues are not political to me, they are about "righteousness", which "exalts a nation, but sin is a reproach to any people" (Pro.14:34). Race (though there is only one race; the human race Acts 17:26), has never had a role in my positions on issues. One need only take note of the make up of those in the congregations I have served to make this point.

I am angry though. Angry at Pastors and so called "Christians", who have continued to give blind support to these ungodly assaults on America and the complete destruction of our values. I expect no less from the pagans in our society, because they are ignorant of and reject God, His Word and counsels. But Christians? You will face God's judgment for your duplicity in this hellacious slide toward the apocalypse (James 3:1, I Peter 4:16-18).

So, I have no choice but to acknowledge, at least as defined by the left, I am racist, because of my principles. But that libel will not slow me, intimidate or stop me from CRYING ALOUD, AND SPARING NOT (Isa.58:1). There is too much at stake to be silenced by name calling. To all my fellow racists, STAND UP NOW AND BE COUNTED, BEFORE IT'S TOO LATE!!!!
